Step back in time with this beautiful two-story Victorian home filled with original character and timeless charm. From the moment you enter the large foyer, you'll appreciate the original wood bannister, hardwood flooring, pocket doors, and distinctive architectural details that make this home truly special. This spacious home offers flexibility for a growing family, guests, a home office or additional living spaces. Two of the bedrooms could easily be transformed into a den, family room, or hobby space. Walk-in closets and a cedar closet provide additional storage. The huge walk-up attic features two separate rooms, including one with built-in bench seating and storage beneath. Imagine the possibilities for a recreation room, artist's studio, creative workspace, or additional retreat. Enjoy the charm of yesteryear with unique original lamp oil fixtures, enclosed front and back porches and an upstairs doorway that opens onto a deck over the front porch. Updates include a new furnace and central air installed in 2023 and a new gas water heater installed in 2026. Situated on a generous .496-acre level corner lot, the property features mature trees, established perennials, clothesline, and plenty of room to enjoy the outdoors. Relax on the concrete patio or enjoy the convenience of the detached 3.5-car garage with abundant additional parking. This one-of-a-kind Victorian combines historic elegance, spacious rooms, versatile living areas, and valuable modern updates. A rare opportunity to own a home with so much character, space, and potential!
